

Bold Reports Priority

Limited resources? Tight timeline?
Here's how to get the most out of
your Bold Reports experience.

With Bold Reports Priority, we are with you every step of the way for the life of your product subscription.

We do the work for you

One-on-one calls with a Bold Reports technical product engineer.

We pull requested data sources into your report. *

Up to 40 hours in 1 month for work such as creation or configuration of reports.

Technical support at your fingertips

Configuration of security settings and permissions for new reports.

Premium 16x5 support.

All the code required to interface with your application is provided. *(We will not change or add code outside the integration.)*

No commitment. Activate and deactivate any time from the subscription page.

Billed monthly in 40-hour blocks. Additional 40-hour blocks can be added upon request.

*Subject to "fair use" and other limits as defined by the terms of the Bold Reports License Agreement.
